Dear Ms. Gajewski:

On behalf of the New York Blood Center, I would like to thank you for sponsoring a blood drive at In Honor of Mark Gajewski & The Ski Open Heart Foundation on July 31, 2012.

We are grateful for the opportunity to have worked with you and your organization to produce such a successful drive. The event collected 34 lifesaving units of blood, which have since been separated into their components and distributed to patients in hospitals throughout the area. Your efforts are greatly appreciated.

Our objective was to provide you and your group members with a rewarding donation experience. Toward that end, we would appreciate your candid assessment of our performance. If our Person-In-Charge at your blood drive did not give you a survey form, we have enclosed one for your convenience along with a postage paid envelope. We value your input and pledge our best efforts to serve you well in the future.

Once again, thank you for helping us to fulfill our mission of saving lives. Should anyone from In Honor of Mark Gajewski & The Ski Open Heart Foundation have any questions regarding blood donation or wish to make an appointment to donate, please call 1-800-933-BLOOD. You can donate whole blood every 56 days.

Sincerely,

Kristin Beedenbender  
Account Manager
