Dear Friends:

Thank you so much for your support and for participating in our Holiday Adopt A Family Program. Your generous donations of toys were greatly appreciated. You truly demonstrated the spirit of the holiday season.

Unfortunately, this time can be especially difficult for victims of domestic violence. Many choose to flee for safety for themselves and their children because they cannot face another holiday not knowing when the violence will begin again. Our clients are comforted in knowing that people in our community care about them. Your thoughtfulness brought some happiness into their lives by letting them know there are people in our community who really care about them. Enclosed you will find a personal note from the families you adopted.

On behalf of those who will benefit from your kindness, I express our sincere appreciation. Best wishes for a healthy and happy New Year!

Sincerely,

Jo Anne Mitidieri Sanders
