Dear Skiø Open Heart Foundation,

We are so grateful for the beautiful brand new toys you donated to our needy and homeless children of NY this year. This year with the additional support needed from the families affected by Sandy, we found ourselves overwhelmed and running very short of gifts.

We gave out presents, as well as, brand new clothes and household items to over 65,000 families this year, thanks to your partnership. Everyone from your foundation and those that support you are all just wonderful people.

Thank you.
