Dear Crystal & Sean,

I would like to take this opportunity to thank you for all the toys your organization donated to our INTERFACE Toys for Kids drive.

With the demand much higher this past holiday season than in prior years we were extremely short on gifts. It was a welcome sight when you delivered all those toys to our program. Your assistance and that of others helped us provide for more than 6,400 children in need.

Once again, we appreciate your help with our INTERFACE Program and all that you do to help make the lives of those less fortunate better.

We look forward to your support in the future.

Sincerely,

Josephine Lunde
